A HISTORY IN THE MAKING

Saint Martin's university is an independent, four-year, coeducational university located on a wooded campus of more than 380 acres in Lacey, Washington. Established in 1895 by the Catholic Order of Saint Benedict, the University is one of 13 Benedictine colleges and universities in the United States and Canada, and the only one west of the Rocky Mountains.

Our heritage celebrates generations of monks committing their lives to building, nurturing and sustaining this vibrant Catholic university. The Saint Martin's University community continues their vision by cultivating a dynamic Campus Ministry and faith life among our community. Faith is one of the University's four core themes and is a central part of the student experience at Saint Martin's.

The University offers a number of experiences through the Office of Campus Ministry that support students as they seek to grow in their faith. In addition to spiritual programming, Campus Ministry also coordinates a robust offering of service opportunities and immersion experiences.
